Self-introduction

Hi everyone. I am Apple who studies in Silin High School. I am 15 years old, and I have very **cute looking** and **nice personality**. As you can see, I am not tall. I am about 155 centimeters tall. Then, I have short curly hair. When I walk, my hair shines and flies. Also, I have big eyes. My friends always said, when I smile, I look like an angel. I am a nice person. I am easy-going and love to make friends. In addition, I love to help others. When my friends have bad moods, they like to turn to me. I like to help others. It makes me happy. This is all about me.

Nice to introduce myself to you all. Thank you.

Describing One of My friends

Sion is one of my friends in my senior high school. He also is one of my best friends. He is fifteen years old. He is a cute boy with nice **personality**, many **interests**, and a promising **future**. Sion is about163 cm tall. He has short curly hair. He has big eyes and he smiles like an angel. Sion has wonderful personality. He is an easygoing and tolerate boy. He always helps others and gets along with everybody well. Sion is interested in music. He likes playing the piano. He even joined a singing contest and got a good grade. Sion talks a lot about his future. Because he wants to be a singer, he plans to join the next season of the Xing Guang TV program. We believe that with this experience, he would become a good singer. Knowing Sion is one the best things in my life.
