Friends

Tall or short.

Fat or thin.

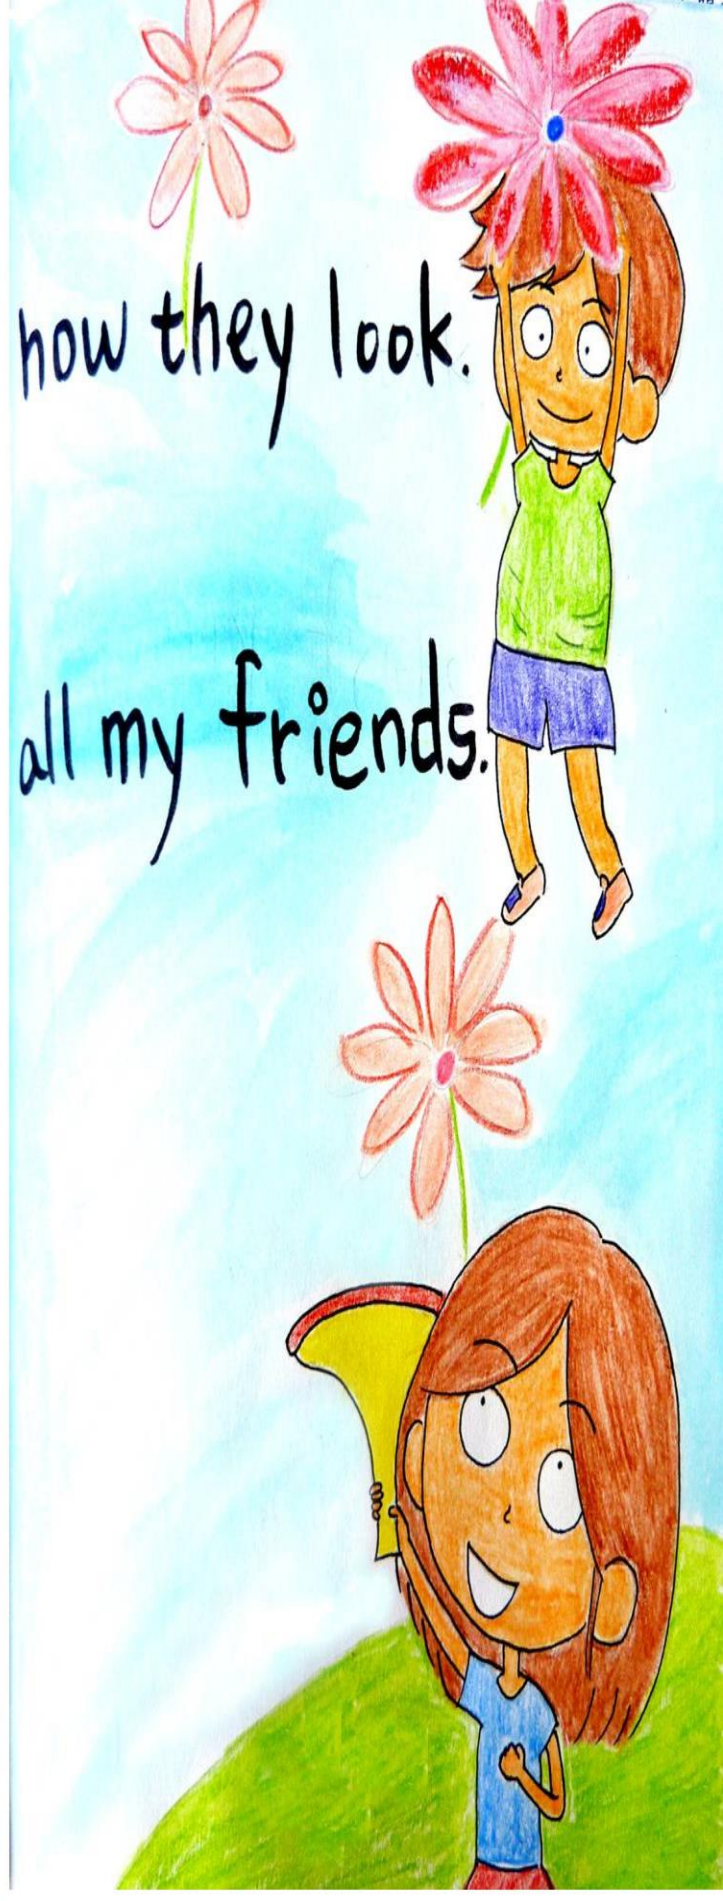

Young or old.

No matter how they look.

They are all my friends.

Brave or Shy.

Rich or poor.

Happy or sad.

No matter
how they are.

They are all my
friends.

Friends share.

Friends care.

Friends help.

In good times
and bad times,
they will always
be there by my side.

We dream
We wish
we hope.

We are friends
forever.

So never judge a book by its cover.

Try to find the true story inside.

A friend in need
is a friend indeed.

And that is
real friendship.

The End
